ABOUT US

KP GROUP OF COMPANIES

We at K.P. Group have a long history of experience, knowledge and dedication for quality in the trade of spices & seeds. Considering our active involvement in the market from almost 60 years including three generations, we declare with confidence, 'We know our onions'. When you deal with K.P., you know that you're dealing with a company of repute, experience, and knowledge. The products delivered are of world class quality, meeting all international food and agricultural standards.

Spices and their seeds are natural products which usually vary in quality depending upon the geographical area where they are grown. To ensure consistency, here is a company that is fully integrated vertically - from farms to warehouses to processing units to delivery points. Thus, the company possesses its own infrastructure from A to Z. Our total involvement at all stages from plantations to processing, quality checks, storage & maintenance of storage areas, sterilization, fumigation, transportation, distribution etc. makes us a reliable partner world over. Our strategic location - Unjha (N. Gujarat), which is the cradle of world's spice market, is the unique advantage for our overseas buyers.

KANAIYA EXPORTS PVT LTD

Kanaiya Exports Pvt Ltd was incorporated in 1994 with the exports of Sesame, Cumin, Fennel, Coriander and Psyllium seeds as its focal point. It has established its network in over 85 countries across the globe. It is recognised as a credible partner for the supply of spices and is well known for fulfilling the requirements of several clients having varying origin, stature and specifications.

KALPESH CORPORATION (SINCE 1991) - EXPORT HOUSE

Kalpesh Corporation is a food processing company based out of Unjha in India. Established in the year 1991 with business focus on processing of psyllium husk & powder, Kalpesh Corporation is equipped with state of the art plant and machinery for supplying high-quality products. Technically qualified and trained manpower manage this facility which ensures processing in tune with international standards of GMPs and process monitoring & control for quality assurance.

ABOUT US

ACTIV ORGANICS

Activ Organic is a sustainable initiative undertaken by KP Group to focus solely on the procurement of Organic farm goods. The firm is based out of Rajasthan and works closely with the farmers at the grassroot level. The entity works jointly with the flagship group company Kanaiya Exports Pvt. Ltd to cater to the needs of clients worldwide who import Organic/IPM produce.

KP FOODS LLC

KP Foods LLC, is a UAE based company and an extension of KP Group India. As our presence expands around the globe, the world shrinks and becomes our basket to choose the best from the selection of raw materials and services. Our experts travel the globe and try to source the very best of spices from the corners of the globe to bring the very best to the customer palate..

ACTIVE NATURAL

The company has been recently established to focus on the herbs and psyllium segment. The entity is also in the process of establishing its own separate unit.

CERTIFICATES

INFRASTRUCTURE

As suppliers of active pharmaceutical ingredients, we follow ICHQ7 guidelines in our plant and we are also a BRC Issue 8 certified entity. Our state-of-the-art facility houses Buhler's Cleaning & Sortex Unit. Furthermore, our entire plant area is Epoxy coated and Epoxy colored, this facilitates cleanliness and helps us uphold high standards of hygiene throughout the facility.

In the final dispatch area, Sealing Machines and Stitching Machines are in place to ensure that minimum human touch is needed in the final packaging of goods. Further, to ensure a pest free environment we take help of a government approved agency for regular pest management in the surrounding structures and rooms. Keeping in mind our core values, we take pride in the usage of Solar Energy to fulfil more than 20% of the plants' power needs.

These are just some elements of the holistic process we follow to ensure that quality goods are delivered to our business partners around the globe.
